

FIRST® LEGO® League Jr. Malaysia 2020

Welcome to Boomtown! Teams will explore the growing needs and challenges of the people in our community. Teams will help to imagine and create a building that solves a problem and makes life easier, happier, or more connected for the people that use it.

Use your imagination and LEGO® Education WeDo 2.0 to design and program your BOOMTOWN BUILD™.

Keep track of what you learn in your *Engineering Notebook*, and tell about it in a *Show Me* poster.
