

ANIMAL ALLIESSM

Exploring the relationship between people and animals.

Get ready. Get set. Roar! Or you could bark, quack, or squeak, because the 2016 ANIMAL ALLIESSM season is all about our furry, feathered, and finned friends. In the 2016 FIRST[®] LEGO[®] League Challenge teams of students age 9 to 16 will look into the eyes of our ANIMAL ALLIESSM. What might become possible when we learn to help each other? FLL challenges kids to think like scientists and engineers.

*AGES VARY BY COUNTRY

Each year **FIRST LEGO League** teams will:

- Build, test and program an autonomous robot using a LEGO MINDSTORM[®] kit
- Choose and solve a real-world problem in the project
- Operate under the FLL signature set of Core Values

ANIMAL ALLIESSM Global Challenge
release: 30 August 2016
